The Improved Order of Red Men

and

Degree of Pocahontas
(Ladies' Affiliate)

An Answer to the Question,

"How can I become a better citizen?"

Pamphlet No. 2

BETTER CITIZEN

Neither time nor tide waits for anyone. We are on this world's stage but for a life span. While here we play our respective parts. We enter this life dependent upon our parents; we spend our early years learning to walk, to talk, to read, to write, and to do the many things which make us reliable, resourceful, and respectful; we spend our productive years in earning a living, raising a family, rendering service to our fellow man, to our community, to our state and to our nation; and we spend our senior years reminiscent of the past, cognizant of the present and inspirational of the future.

Did you ever reflect that you could not live this life alone, that at every stage of life you are dependent on others, and that your reward in life, your happiness and your esprit are all based on your brotherliness, your friendliness and your kindness to others?

In the Improved Order of Red Men and the Degree of Pocahon-

tas exists an Order, which is the oldest patriotic organization of purely American origin, whose precepts are Freedom, Friendship, and Charity, and whose purposes are to make you a better citizen. At the tribal and council meetings you are free to express your ideas, free to discuss any subject, and free to learn the hopes, the aims and the thoughts of others. You are one of a group where opinions can be exchanged, thinking crystalized, and plans formulated for the betterment of the members, their families, the community, the state and the nation.

Time and time again it has been said, and rightfully so, that our great American fraternities are the greatest source of power for good government and for the protection of our homes. We in this Order believe in the Great Spirit, have respect for our Flag, render obedience to our Government, and seek to preserve our American Way of Life.

Join us, and you will become a better citizen.

THE Improved Order of Red Men was granted a Charter by the United States Congress in 1906.

IF you would like more information about the Improved Order of Red Men and its ladies' affiliate, the Degree of Pocahontas, it is suggested that you fill out and return the form below:
